1. B Mahomed Abdul Hakeem
2. P Ramaswamiengar
3. AR Chandrasekharam
4. C Venkatachar

2 No applicant fulfils the conditions laid down in the above Notification The first, third and fourth candidates have not matriculated, and the second does not possess lands in his own right nor as a member of an undivided family The Agricultural College however has lowered the educational standard of admission to the Middle School Examination Under these circumstances if the conditions for awarding the scholarships are to be relaxed I would recommend that this 40 is scholarships

be bestowed upon B Mohammad Abdul Rahman and AR Chandrasekharam. The former belongs to a highly respectable but poor Muhammadan family, and though he does not possess lands his near relatives possess them. The latter is a grandson of Rao Bahadur AR Sabhapati Mudaliar who has already joined the Agricultural College on his own account.
